There are 49 Samajiks in the State  
The no of seats available for  
nomination in the case of Samajik  
cl is three The claims of Depressed  
Classes which may not have come up  
for representation by election will have  
to be taken into consideration while  
filling up the places It should therefore  
be obvious impossible for the Govt  
to earmark two seats on each Sam  
ajik for members of Depressed classes  
as recommended in the above resolution  
Hence the position today remains  
the same in this respect as it was
